

TTT Drama Queen

Date of Birth: 01/27/2012
Owner: JAMIE and RUSSELL FREEMAN

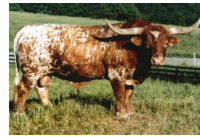

Courtesy of The Freeman Ranch

From Rocking O Longhorns: Drama Queen comes from the show program at Triple T Longhorns. She is out of their great producing cow Buck's Glimmer and Winchester, one of our favorite bulls of all time. Drama Queen has a great body, terrific brindle color, and really nice twisty horns. Drama Queen injured her left eye in December of 2016, and the vet believes she will be blind in that side going forward. Thank you Crofton!
